

BR-V

An SUV like never before

This new addition to the Honda line up is taking the idea of SUV to a whole new level. The BR-V's 7-seater utility prowess comes together seamlessly with a strong and sporty exterior to make it the perfect car for that city drive or weekend getaway. It's everything you want in an SUV and more.

Striking and stylish

If you're looking for a car with a look that exudes a stylish SUV character, then look no further than the BR-V. The bold, wide stance gives you a style with strength that is only further enhanced by projector headlamps, wide front grill design and LED position lamps.

The sleek silver finish roof rails of the BR-V highlight the undoubtedly sporty appeal of the vehicle and gives you a sense of true utility, while the connected tail light design with LED light guide at the rear brings in an air of sophistication. All that combined with the uniquely styled 16-inch alloy wheels truly emphasises the dynamic physique of the BR-V.

A real connection to the road

Experience superior ride comfort and agile handling with the BR-V. For a better crash performance and more comfortable ride of the BR-V, body rigidity and damper have been newly developed for a Compact SUV driving feel.

The car features McPherson Strut suspension in the front and Torsion Beam rear suspension is guaranteed to dramatically improve both driving stability and ride comfort. This impressive list of features is topped off with the incredible electric power steering, which allows effortless steering and better handling.

Engine

The BR-V isn't just about space and style; it's about getting real performance out of your vehicle. The BR-V boasts a 1.5 i-VTEC engine and a choice of six-speed manual transmission or a CVT transmission.

> Extreme versatility

The BR-V offers you a sophisticated and sporty all-black colour scheme, modern dashboard design, high quality material and a highly versatile, spacious three row 7-seater cabin interior for added comfort and convenience.

The silver accents and piano black finish on the Instrument panel combined with the white lit 3D speedometer with Multi Information Display gives you an interior with a Sporty appeal. The leather seats coupled with leather wrapped steering wheel, gear knob and door armrests simply enhance the already incredible interior. The BR-V also offers high quality fabric seat options.

The Multi Information Display (MID) allows the driver to monitor all important trip and vehicle information including Driving Range, Instantaneous and Average Fuel Efficiency, Ambient Temperature and Time. Furthermore, an Eco lamp provides feedback to the driver during fuel-efficient driving.

> Safety taken seriously

This spacious 7-seater was specifically designed with a host of safety features to give you and your family peace of mind on the road. It boasts both driver and passenger SRS airbags that will inflate immediately when a heavy frontal impact occurs.

Honda's Advanced Compatibility Engineering (ACE) allows the vehicle to absorb and distribute the force in the cabin during a collision. This combined with other standard Honda safety features makes the BR-V a safe choice for you and your family.

Easy as 1, 2, 3

The BR-V was designed with style, versatility and comfort in mind and that's why it features three rows of exceedingly comfortable seating. The 2nd row seat features a 60:40 split with slide and recline option to give you the power to adjust the space for ultimate convenience.

The 3rd row seat is a 50:50 split folding type with reclining options for extra comfort. These seats can be quickly and conveniently tumbled forward to give you all the space you need for those extra items in the back. Even accessing the third row is easy with a one touch tumble button which folds away the second row seat.

Everything at the tip of your fingers

The BR-V offers a number of added comforts you can only expect from a sporty SUV such as this. It boasts a host of interior technologies designed to make you feel at home in your car.

Push start button with smart entry, integrated Bluetooth audio system with Hands Free Telephone (HFT) and steering mounted controls for audio means you have access to everything at a single touch. That, in addition to the automatic air conditioner with roof mounted rear vents and power foldable rear view mirrors, means you always have the ultimate combination of comfort and convenience.

Colour options

We know that choosing the colour to suit you is always important. That's why we're giving you the choice of 4 incredible colours.

- 01 Carnelian Red Pearl
- 02 White Orchid Pearl
- 03 Alabaster Silver Metallic
- 04 Modern Steel Metallic

Accessories

If the colour isn't enough to give your car your very own personal touch, we also offer a number of signature accessories to add that little something extra to the design of your vehicle.

For information on these and other accessories that are available, please contact your nearest Honda dealership.

- 01 Exhaust Tail Pipe Finisher
- 02 Tail Gate Spoiler
- 03 Mud Flaps
- 04 Trunk Tray
- 05 Running Board

HONDA

The Power of Dreams

Indicated CO₂ and fuel consumption figures quoted are obtained when testing the vehicle in line with the compulsory requirements of SANS 20083 and therefore may not necessarily be achieved under day to day driving conditions.

Actual fuel consumption figures may be influenced by a range of factors, including but not limited to vehicle maintenance, driving style and behavior. Fuel consumption may be further affected by the environmental factors and conditions under which the vehicle is operated including altitude, road condition and traffic flow. The figures used in this guide should therefore be treated as indicative only.
